

Boost your scan, copy and archiving productivity.
Get the best out of all your originals.

The most productive scanner for scanning service professionals

The ultimate scanning experience

ScanStation^{Pro} is the most efficient way to scan, copy, file, or archive any wide-format document.

Scan faster, up to **626 documents per hour**, so you can take on more jobs.

Unique technology, which speeds up your process by **more than 30%**, increases efficiency and decreases your operating costs.

Works with your IT infrastructure

Suitable for all environments, you can pair this with the computer of your choice to easily integrate into your company's IT infrastructure.

Includes award winning software

Designed specifically for fast batch scanning, the award winning Nextimage software brings out every detail in your originals.

Nextimage integrated printer drivers automatically connect with all your printers.

Your full, open system

Scanner, 21.5" full HD touchscreen, Nextimage REPRO software, height-adjustable stand, PC basket and keyboard tray. Simply add your choice of PC.

Ideal as a standalone scanning solution, or combined with your preferred printers.
Flexible configurations to place alongside your printer, or save space with a high stand above your printer.

The integrated 21.5" high definition screen allows you to edit your files with superb clarity.

The fully-featured touchscreen offers all, zoom, pinch, and swipe functions.
