

Add a large-format printer, pc and monitor to complete the solution of your choice

## Whenever you need them: Scan, copy and print large-format documents

### Colortrac Professional MFP Solutions

A well-proven, innovative technology for great wide format copy quality. Get an affordable and reliable multi-functional package in the model size that exactly fits your printer and your needs.

Available in 3 sizes: 42in, 36in and 25in.

### SUITABLE FOR:

Walk-up scanning and copying of wide format maps, site plans, engineering drawings, blue-prints, architectural renderings and many other technical documents.

HP ready

Canon ready

Epson ready

The Professional MFP Solution from Colortrac is a large format package optimised for low volume multi-function printer duties. Copy to any Windows printer or scan to digital file formats via a touch or mouse-driven pc screen interface. Software and stand included. Add pc, monitor and printer.
