A woman with long brown hair is seen from the side, looking at a computer monitor. The monitor displays the HP Click printing software interface. The software shows a large architectural plan of a city or park area with various buildings, roads, and green spaces. On the left side of the screen, there is a grid of smaller thumbnail images representing different print jobs or preview options. A prominent blue 'Print' button is located at the bottom left of the main preview area. The computer is an HP model, as indicated by the logo on the monitor's bezel. The background shows a blurred office environment with bookshelves and other office equipment.

**Radically simple printing experience
for HP DesignJet printers and the
